1. Personal Information

Date of Birth: 29/03/1996

Place of Birth: Stellenbosch

Citizenship: South African

Gender: Male

Marital Status: Single

ID: 960329 5211 082

Language: Afrikaans/English

2. Personal Statement

I am a dedicated self-taught web developer. After high school I studied and graduated with a psychology degree, but I knew it was not what I wanted to do with my life. Technology has always interested me, so I started to learn a bit of programming, and was hooked ever since. I have been studying web development for about 2 years in total, and want to further my knowledge and gain real experience and contribute to real world projects.

3. Academic History

- Matriculated at Montana High School in 2014
- Rewrote grade 12 pure mathematics in 2019 with a result of 72%
- Graduated with Ba Psychology/Sport Psychology in 2017
